# BLINKING ORNAMENT

## *Our Best Sellers, By a Nose!*

Each ornament is based on the beautiful hand drawings of a local artist, and makes a unique gift for that someone special. Don't worry about dropping them, because, even though they look like glass, they are made of a nearly indestructible material. Each ornament includes three AG13/LR44 batteries that last 80-90 hours of continuous use.

TWINKLING  
TREASURES

# Gnome Ornaments

## The Tradition Lives On!

Gnomes are found in folklore in many different countries dating back to the 16th century. Even after all of these years, gnomes continue to be a cheerful addition to any home, and some believe that they even live in trees! Each gnome ornament features a blinking nose that lasts over 500 hours of continuous use.
